ProX XC-CABLEKEEPER Universal Cable Management Ring for Speaker Stands and Poles

Description
The **ProX XC-CABLEKEEPER** is a rubberized cable management tool that fits all brands of DJ speaker stands and subwoofer poles. The pair of black cable organizers from ProX is designed for a firm, secure fit onto 1 3/8" to 1 3/4" (35mm to 44.5mm) speaker stands and subwoofer poles. The clips are made from tough, long-lasting rubber and keep up to 12 cables a variety of sizes neat and safely secured.

Just say no to unmanaged cables, tape, or straps that don't hold well. These are designed for speaker stands, lighting stands and any equipment with 1 3/8" to 2" (35mm to 51mm) tubular construction. These intelligent cable clamps are the best you can find. It can secure a total of 12 cables measuring from 4 mm to 9 mm. The cables are laid in a slot and secured in place with a high-quality hook and loop fastening tape. The heavy-duty rubber and strong fastening tape ensure a long life, neatness and a level of safety by keeping wires organized. These are a must-have for professional entertainers.

Use this unique product to keep your cables neat and organized and easy to identify. No more messy cables or trying to figure out which cable goes where. Keep plenty of these in your event tool bag!

Features
Our unique cable management tool has various size slots to fit ALL of your cables, from small signal cables to larger power cables. Use multiples of these on your stands near the top, the bottom and even on the legs, also fits trussing chords. Packaged in a set of 2
