ProX XS-DNP-DSRX1 Fits DNP DS RX1 Dye Sublimation Photo Printer

Description

The **ProX XS-DNP-DSRX1** Fits DNP DS RX1 Photo Printer For Mobile Photo Booth

Protect your photo booth printer investment with the ProX Direct XS-DNP-DSRX1.

This case fits the DNP DS RX1 or any other photo printers that will fit with the interior dimensions of 13" wide, 14" long, and 11.5" tall.

If you have a passion for your gear and want to keep it safe at all times, this case will perform at the highest level every time.

The XS-DNP-DSRX1 is constructed with our rugged signature 3/8" Gig-Ready Series Plywood, durable rubber wheels, reinforced steel ball corners, as well as recessed steel padded handles and latches.

This ProX case is manufactured with our exclusive Honeycomb laminated surface Design. Made with the super-sleek look of Honeycomb hexagon grids on all shell surfaces, which gives the cases an almost alien look! Also, as opposed to regular laminated plywood cases from other manufacturers, the ProX Honeycomb design helps prevent minor to mild scratches. The Honeycomb Digital line design was inspired by the design of New York City Street Manhole covers which are made to handle rough and tough everyday punishment.

All ProX cases during the manufacturing process use CNC technology to assure all cases are consistently built with strict specifications that are required for the high-quality standards that ProX cases is known for since 1984.

For the safety of your equipment, do not attempt to transport with any gear not properly loaded into the case.

* ProX Goes Green: The durable hard rubber foams used in our cases contain 70% recycled content. Of that 70%, 80% of it comes from recycled plastic bottles and the remaining 20% from the recycled post-industrial material. At ProX we strive to make the world a better place!
