ProX X-ZS2TR Professional Keyboard Add-on for Portable Z-Stand 2nd tier with Adjustable Stacking

Description

ProX **X-ZS2TR Professional Keyboard Add-on for Portable Z-Stand 2nd tier** with Adjustable Stacking. Introducing the ProX X-ZS2TR Professional 2nd Tier Keyboard Stand Attachment for Folding Z Stand—a remarkable addition that transforms your folding Z-Stand into a versatile dual keyboard setup effortlessly. This innovative attachment features inner-locking mechanisms that securely mount, allowing you to elevate your musical experience in a matter of minutes. The attachment boasts adjustable height settings, granting you the freedom to tailor its position to your desired angle.

Designed for convenience, the X-ZS2TR boasts five adjustable height levels that can be easily fine-tuned using the knob on each arm's side. A simple twist and a secure lock ensure swift and precise adjustments. Notably, this 2nd tier attachment offers a unique depth customization feature, enabling you to bring the tier stand closer to you with increments as fine as 1 inch across five different settings.

Moreover, this attachment is equipped with a stabilizing crossbar meticulously engineered to match the dimensions of your keyboard stand in both width and depth. Compatible exclusively with the [X-ZSTN](#) model, the X-ZS2TR stands as a testament to professional craftsmanship, providing robust strength and unwavering stability for seamless handling during your musical endeavors.
