ProX XC-RJ45-FFP Single Ethernet Feed Through D-Series Panel Mount Jack Pass Through CAT6

Description

ProX **XC-RJ45-FFP** Single Ethernet Feed Through D-Series Panel Mount Jack Pass Through CAT6. This panel mount connector fits the d-type punched holes and is compatible with most brands of Rackmount Panels, Cases, and IT network gear that has D-Series punched holes. It's very durable and has a solid metal chassis and protection to meet the needs of touring professionals to weekend warriors. Simple to operate, it can be mounted with a screwdriver and the included set of screws (with each mount). This panel mount allows precision audio, video, and data signal.

Features

- **Compatible with CAT5/6 Cables**
- **Standard D-Series installation**
- **Long-lasting durable build**
- **Ideal for IT/Networking/Audio/Video**
