ProX T-P2-4X8 2 Unit UNLOADED Patch Panel for 8 XLR and 4 NL4 Speak Twist or NAC3 Power Connection

Description

Design your own patch panel using any 8 D-Style (XLR) chassis mount connectors and 4 NL4 Speakon or NAC3 Power Connection connectors. Our unloaded panel let's you customize your workflow and swap out any connector on your own. Use DBA filler plates to cover blank holes. They are perfect for anyone requiring easy access to their I/Os in any permanent or mobile environment.

Features

ProX has a history of creating high-quality cables, connectors, plugs, and various other components to allow users to maximize the utility and durability of their mobile gear.

- 2RU Panel
- Black Textured Power Coated Panel
- Punched to work with any D-Series chassis connectors and NAC3 or NL4 connectors

Suggested Shipping Method: Parcel

UPC
