ProX X-S5050-60RGB-W Roll of 300 SMD 5050 LED RGB IP65 16Ft 5 Meter 12V Prosumer Installer Version

Description

The ProX Roll of 300 SMD 5050 LED RGB IP65 16Ft 5 Meter 12V Prosumer Installer Version are an endless source of interior design ideas due to their wide range of application. Besides the numerous advantages of LED lights themselves, such as extremely low power consumption, very long lifespan, eco-friendliness, durability and the low cost of maintenance, LED strip lights are available with such brilliance that can replace even a 60W halogen light.

Applications:

Commercial and residential decoration, Under-counter lighting Media illumination Large area backlighting, Small to medium channel letters Point-of-sale displays Neon replacement Clubs, Bars, DJs, Events Shops, Art Galleries, Museums, Cars and Many more

RGB LED Kits Incl. Remote control & power supply

The smaller LED Strip Kits come with 1ft, 2ft, and 4ft lengths, and even have power supply and controller right in line of the LED strip for incredibly compact and easily hidden control of your lighting. Easily suited for road cases, DJ Decks and Booths, work desks, under-counter lighting, and so much more!
