ProX XT-SQ164-2W90-RC Square Truss Corner 2 Way 90 Degree Round

Description
The ProX **XT-SQ164-2W90-RC** 2-way 90° Rounded Corner, 1.64 ft. (0.5 meters), truss corner helps you easily make soft squares or rectangles and works with the ProX XT Series box truss.

ProX Truss has the most trusted staging support systems in the industry, and is built to the highest standards of safety and performance. It's a rugged yet lightweight trussing solution perfect formobile DJs, bands, outdoor performances, nightclubs, live mobile productions, or permanent installations.

At the heart of the system is square truss that utilize a standard conical connector system, which easily mates with other brands of truss of the same size and connector style, and is available in a variety of lengths to suit your designs. It also works with different types of corners, base plates, connectors and accessories that add stability while expanding on limitless configurations.
