Designed to withstand the rigors of the road, these industrial-grade commercial casters can handle anything the venue throws your way while transporting your precious gear to your events. With a diameter of 4 inches, these casters boast a full ball-bearing design, ensuring smooth and effortless rolling in any direction. Additionally, two of the casters in the set are equipped with a convenient foot brake system, allowing you to securely lock your cases during loading and unloading.

Notably, our casters are the preferred choice featured on numerous professional DJ and Event Production cases available from ProX Live Performance Gear.
