ProX XC-3FDM XLR Female To Male Adapter For Panel Mount

Description

The **XC-3MDF XLR Female to Male Feedthrough Adapter** for Panel Mount from ProX is designed specifically for the kinds of wall panels often utilized in mobile gear and on stage. It features a zinc diecast chassis and a steel-element latch-locking device. This adapter offers a 3-pin XLR Female on the panel side and a 3-pin XLR Male on the back side.

These are handy for quick setup of a blank patch panel without soldering connectors. Simply plug a short cable into the back and attach to the output/input that you want to replicate on the panel.

Features

- **3-Pin XLR Female to 3-Pin XLR Male**
- **Designed for Wall Panels or Rack Panels**
- **Utilized in Studio and Concert Settings**
- **Zinc Diecast Chassis**
- **Steel-Element Latch-Locking Device**
