Description

ProX XC-PWC14-10 10 Ft. 14 AWG High-Performance Grey Male to Blue Male Cable for Power Connection compatible devices.

ProX cables are built with uncompromised quality with excellent performance at each connection - Instrument cables, Speaker cables, RCA cables, DMX cables, Power cables, and more. Our cables are made for professionals, by professionals.

This cable is the ideal power cable for powering many professional audio devices. The Power Connection compatible connector is a 3-conductor, locking power connector which provides a safer power connection than the IEC 60320 C13/C14 connectors commonly found on consumer audio components, computers, power adapters, and other devices. The twist connector mates the ground contact before connecting the neutral and line contacts, ensuring an electrically safe connection.

Features

- **14 AWG pure, bare copper conductors**
- **YongSheng connectors**
- **Fast and easy twist lock latching system for additional safety**
- **Extremely robust and reliable**
- **UL and cUL tested components**
- **IP65 dust/water protection rating**
- **ProX Limited Lifetime Warranty**
