ProX X-PCNORABOX 10 Way Power Distribution Compact Box for Powerkon to Edison

Description

ProX **X-PCNORABOX** Power Center **10 Way Power Distribution Compact Box for Powerkon to Edison**. The X-PCORABOX is a reliable power distribution unit that ensures a steady power supply for up to 10 fixtures when connected to the main power feed. Equipped with a 20A power indicator, it efficiently distributes power evenly among the connected devices. Its military-grade aluminum chassis offers exceptional protection, safeguarding your valuable equipment from overload, scratches, and everyday wear and tear.

Capable of powering up to 10 devices, with an additional main feed connection. Mounts to Truss Clamps: Designed for easy mounting to truss clamps, providing secure and flexible installation options. Tough Aluminum Build: The sturdy aluminum construction ensures durability and excellent protection for your equipment. Features a built-in LED power indicator, providing visual feedback for quick status checks.
