ProX XC-612-100 100 Ft. 12 Gauge AWG 6 Conductor Audio Speaker Wire Cable 100 Feet Copper Black Finish

Description

ProX **XC-612-100 100 Ft. 12 Gauge AWG 6 Conductor Audio Speaker Wire Cable 100 Feet Copper Black Finish**. This **12-gauge AWG 6-Conductor speaker cable** is ideal for fabricating your own custom speaker/distribution cables. **ProX cables are renowned for their uncompromised quality and outstanding performance in various professional audio applications, including Instrument cables, speaker cables, RCA cables, DMX cables, Power cables, and more.** Crafted by professionals for professionals, our cables are built to meet the needs of audio technicians, stage production, and DJ professionals.

We utilize **12-AWG Oxygen-Free Copper (OFC) conductors** to ensure maximum signal transfer. The compact cable diameter reduces eddy currents. The flexible PVC jacket provides durability, flexibility, and low visibility on stage. The jacket is designed like a tank, armored to withstand rugged heavy road use.

Bending and twisting are no match for our high-performance tour-grade audio cables. They are designed to deliver years of dependable sound reproduction and outlast every other cable on the market. Our Complete Coil technology demands consistent weave tolerances to achieve precise accuracy and detailed clarity. This is the most critical aspect of the design and greatly impacts performance.

This cable does not include any connectors
