### ProX XC-SB244XLR100 100 Ft Stage Box Snake 24 XLR-F Input 4 XLR-M Return

#### Description

The ProX **XC-ST244XLR100** Stage Box is the perfect snake for a medium-sized club or live setting utilizing 16 XLR mic inputs, such as a multiple instruments, vocalists, in a live room of a studio. or direct boxes onstage while your mixing board has plenty of distance from the performance. Stage Box Snake, 100ft with 24 Channel Female XLR Inputs, with 4 Return Male XLR returns.

The 4 Male XLR outputs are perfect for effect returns or on-stage monitor mix sends. Prox provides users with amazing sound cables. We know cables are not just cables, they are what protects your sound from being altered. Uncompromised signal power, frequency handling, and sound reproduction is what we are passionate about. Braided OFC Copper Compact shield to reduce noise and protect pure sound transfer. Compact cable diameter to decrease eddy currents.

Bending, Twisting, are no match for our high performance tour-grade audio cables. They're designed to provide years of dependable soundreproduction and outlast every other cable on the market! Complete Coil technology demands consistent weave tolerances to create precise accuracy and detailed clarity. This is the most important part of the design and greatly affects performance.
