ProX T-16USLAM20 16U 0" Deep Vertical Rack Shock Mount Case with 2 Sliding Slam Doors & 4" Caster Wheels

Description

Introducing the 16U Vertical Rack Mount Case T-16USLAM20, purpose-built to elevate your Amp Rack setup. This versatile case combines functionality with convenience, featuring a sliding door for easy access and caster wheels for effortless mobility.

Designed to accommodate Mixer Combo Amp Racks, this 16U vertical rack mount case provides a secure and efficient storage solution. The inclusion of a sliding door streamlines accessibility, allowing swift and hassle-free equipment retrieval or adjustments without compromising on security.

Mobility is key, and this case is equipped with caster wheels, ensuring smooth transportation and positioning within your setup or venue. Whether you're on stage or in a studio, maneuvering your gear becomes a seamless experience.

Crafted with quality materials, this rack mount case guarantees durability and protection for your valuable equipment. Its 16U capacity offers ample space while maintaining a compact footprint, optimizing your rack arrangement.

Experience the convenience of swift access, secure storage, and effortless maneuverability with the 16U Vertical Rack Mount Case. Ideal for professionals, performers, or audio enthusiasts seeking a reliable and functional storage solution for their Mixer Combo Amp Rack setup.
