ProX T-16MRSS 16U Rack x 10U Top Mixer DJ Combo Flight Case

Description

This 16U vertical rack, 10U slant mixer rack system has all the best features you're looking for in a world-class flight case: strength, durability and reliability with flexible options and sizing for different applications.

This heavy-duty professional combo rack is 20" deep and features 16U front loading and 10U top loading rails for a wide variety of pro DJ mixers, amplifiers, effects and any other standard 19" pro audio DJ gear. Other design highlights include a large swinging rear door (for easy wiring) with a beveled cable hole for permanent or semi-permanent installation. It also includes two handles on either side of

the case and 4" locking casters for convenient transportation and mobility.

[Laptop Shelf Ready SKU: T-LPSMR \(Sold separately\)](#)
