ProX XT-SC20 20 inch Extension Pole with Singe Pro Clamp ideal for most Stage Lighting Fixtures

Description

ProX XT-SC20 20-inch Extension Pole with Singe Pro Clamp ideal for most Stage Lighting Fixtures. The ProX XT-SC20, a 20-inch pole with a diameter of 3mm, coupled with the Pro Clamp, provides an instant and robust mounting solution for any clamp compatible with Stage lighting fixtures. Crafted from high-grade aluminum, the XT-SC20 boasts a lightweight design that doesn't compromise on durability, ensuring its ability to support a wide array of mountable devices. This versatile accessory seamlessly fits onto any standard 2-inch trussing, serving as a simple and cost-effective option to effortlessly enhance your existing stage trussing setup.

Constructed with precision, the XT-SC20 and Pro Clamp cater to the needs of stage professionals. The 20-inch pole, featuring a 3mm diameter, provides steadfast support, while the Pro Clamp ensures secure attachment for various disc jockey lights and fixtures. Meticulously fashioned from top-tier aluminum, the XT-SC20 strikes an ideal balance between lightweight design and unwavering strength, guaranteeing its suitability for an extensive range of mountable equipment. Designed to seamlessly integrate with standard 2-inch trussing (Fits most brands), this addition proves both accessible and economical, facilitating the effortless expansion of your current DJ or stage trussing configuration.
