ProX XT-DC60 60"Pole W/ Dual Welded Clamps

Description

60" Pole With Dual Welded Clamps

Description

The ProX Direct XT-DC60 instantly gives you an expanded mounting surface for multiple heavy duty DJ or stage lighting fixtures. The 60 inch length lets you mount on 2 sides of your trussing at the same time. Made from high grade aluminum, the XT-DC60 is lightweight, strong and versatile. It fits any standard 2" disc jockey or stage trussing and creates a large and spacious display area for any type of mountable fixture.
