ProX T-8MRSS 8U Rack x 10U Top Mixer DJ Combo Flight Case

Description

This ProX **8U vertical rack, 10U slant mixer rack system** has all the best features you're looking for in a world-class flight case: strength, durability, and reliability with flexible options and sizing for different applications.

This heavy-duty professional combo rack is 20" deep and features 8U front loading and 10U top loading rails for convenient security for a wide variety of pro DJ mixers, amplifiers, effects, and any other standard 19" pro audio/DJ gear. Other design highlights include a large swinging rear door (for easy wiring) with a beveled cable hole for permanent or semi-permanent installation. It also includes two

Recessed handles on either side of the case for convenient transportation.

This item is also designed to function with the T-LPSMR sliding laptop shelf (sold separately)

[Laptop Shelf Ready SKU: T-LPSMR \(Sold separately\)](#)
