### ProX X-794LED ALLANTE ALLANTE RGBWAA 6in1 5W LEDs Effect Fixture

#### Description

If you're looking for inspiring lighting effects that are incredibly easy to set up and use, the Allante will keep you and your audience so excited that you might fly off the earth! The Allante effect light boasts a LED based motorized centerpiece that creates big beam effects with bursts of color spreading throughout the space when used upside down installed as a ceiling fixture. Upright near the DJ booth, your audience will be hanging on your every move with its versatile RGB color mixing and sync options. Simply choose a color and let it run in sound activated modes, or control every nuance with the standard DMX512 protocol. To add a balanced focal point to your gig and keep the excitement in the stratosphere, look no further than Xstatics's X-794 Allante!
