ProX XS-PRE32W ATA Digital Audio Mixer Flight Case for PreSonus STUDIOLIVE 32.4.2 Console with Wheels

Description

ProX **XS-PRE32W** ATA-300 Flight Style Road Case for PreSonus STUDIOLIVE 32.4.2. with Wheels. Our custom-designed ATA-style road case is tailored specifically for your Live Mixer Console in the audio console industry. It offers the highest level of protection and convenience for your valuable equipment.

Its robust construction features the utilization of rugged and enduring Signature Series Plywood, fortified with reinforced steel ball corners. Additionally, the case incorporates 4" durable rubber wheels, facilitating effortless mobility. With its intelligently engineered low front panel, the unit allows easy access to inputs, further enhancing user experience.

Crafted with precision and using top-quality materials, this road case ensures ultimate security during transportation. Equipped with a low front panel for easy access to inputs, and four durable rubber 4" casters (two of which can lock), this road case combines functionality and durability.

Features

ProX **XS-PRE32W** ATA Digital Audio Mixer **Flight Case for PreSonus STUDIOLIVE 32.4.2 Console with Wheels**. Our custom-designed ATA-style road case is tailored specifically for your Live Mixer Console in the audio console industry, providing the highest level of protection and convenience for your valuable equipment.

The ATA-300 Flight Style Road Case with 2x Low Profile fixed caster wheels is a rugged solution for your equipment protection needs. Its interior is fortified with high-density foam for exceptional support, while recessed spring action handles on both sides make it easy to transport. The case is built to last with heavy-duty steel ball corners and dual anchor rivets, all encased in premium Series 3/8" plywood. Additionally, its industrial recessed butterfly twist lock latches, padlock-compatible, provide extra security for your valuable gear during transit and storage.

At the forefront of case design, Honeycomb Digital™ by ProX Live Performance Gear® showcases a sleek hexagonal pattern. This unique style combines with top-notch gear protection, thanks to a high-quality laminate that shields against scuffs and scratches.

Crafted with precision and top-quality materials, this road case ensures ultimate security during transportation, combining functionality and durability with its low-profile fixed wheels.
