### ProX XS-6DMIC25W ATA Flight Style Mic Stand + Drawer Combo Case Stores up to 25 Professional Mic Stands with Side Door Storage

#### Description

ProX **XS-6DMIC25W ATA Flight Style Mic Stand + Drawer Combo Case** Stores up to (25) Professional Mic Stands with Side Door Storage. The ProX ATA Flight Style Case is the ultimate solution **for storing and transporting up to 25 professional mic stands**. With its spacious interior and efficient layout, you can securely store your stands while minimizing the risk of damage. The case features a side door storage design, allowing easy access to individual stands without having to open the entire case.

In addition to the generous storage capacity, the ProX ATA Flight Style Case **includes six utility drawers (1x6U, 2x4U, 3x3U)**. These drawers provide dedicated compartments for smaller accessories, ensuring that your microphone clips, cables, and adapters are organized and easily accessible. The case is built to last, with rugged, impact-resistant materials on the exterior and protective foam padding on the interior.

Designed with mobility in mind, the ProX ATA Flight Style Case features built-in handles and durable wheels for easy transportation. Whether you're a musician, live sound engineer, or part of a rental company, this case provides the durability, protection, and organization you need for your mic stands. Invest in the ProX ATA Flight Style Case and experience hassle-free storage and transport of your valuable equipment.
