### ProX XS-12U4DTWCO ATA Flight Style Mixing Console Case 12U Shockproof Rack (2) Side Tables

#### Description

ProX **XS-12U4DTWCO** ATA Flight Style **Mixing Console Case 12U Shockproof Rack (2) Side Tables**. Introducing the ProX XS-12U4DTWCO ATA Flight Style Mixing Console Case – your dynamic workshop on wheels for the pro audio industry. This 12U Shockproof Rack comes with (2) Side Tables, built to last with reinforced steel ball corners and durable handles. Its black honeycomb laminated finish adds a modern look that fits any environment.

The case features four easy-to-open drawers and two side work tables, keeping your gear organized and accessible for professional events. The 12 Unit Rack Space can be loaded from either side. The heavy-duty drawers have ball-bearing slides for long-lasting use. Both covers detach and become side work tables, perfect for event preparation or repair. Transport is easy with four professional-grade casters and recessed fold-out handles. The Honeycomb Digital™ laminated surface design on 3/8" plywood prevents minor scratches. The XS-12U4DTWCO – is a powerhouse for pro audio engineers!

#### \*ProX Goes Green

The durable hard rubber foams used in our cases contain 70% recycled content. Of that recycled content, 80% of it comes from recycled plastic bottles, and the remaining 20% from recycled post-industrial material. At ProX we strive to make the world a better place!

**Console Area:** 42"L x 23.5"W x 10"H

**Rail Depth:** 20" (Front to Rear)

**Tables Dims:** 44" W x 37" D

\*All ProX cases during the manufacturing process use CNC technology to assure all cases are consistently built with strict specifications that are required for the high-quality standards that ProX cases is known for since 1984.
