ProX X-BRGBW16IP CHAMELEON 64W IP66 Outdoor Bar LED Light

Description

The **ProX X-BRGBW16 IP CHAMELEON 64W** Total OUTDOOR BAR LED Wall Washers are sets of robust color-washing fixtures with high power LEDs that create dynamic, full RGBW/A/UV color mixes, producing up to 16 million colors and projecting light up to 85 feet. This advanced multi-color innovation gives users tremendous advantages over single-color LEDs, including improved color mixing, the elimination of multi-color shadows, and a much brighter, more even throw of light.

The high-powered LEDs used are rated for up to 100,000 hours and require no maintenance, saving energy and labor costs. The durable housing is sealed, **weatherproof rated IP66**, manage heat dissipation efficiently, thereby keeping the LEDs cooler. The fixtures meet the needs of lighting designers, architects and performance artists by offering an exciting new array of effect lighting possibilities, both interior, and exterior.
