ProX XS-TMC1012WLTFTSND DJ Coffin Flight Case for (2) 1200 Style Turntables 10-inch 12-inch Mixers with Sliding Laptop Shelf and Wheels

Description

ProX **XS-TMC1012WLTFTSND DJ Coffin Flight Case for (2) 1200 Style Turntables 10-inch 12-inch Mixers with Sliding Laptop Shelf and Wheels**. The ProX XS-TMC1012WLTFTSND is the ultimate companion for state-of-the-art turntablists and mobile DJs. Crafted from premium heavy-duty materials, this coffin case offers unrivaled durability, reliability, and security for both your turntables and mixer, all conveniently packed into one sleek package.

Constructed with our robust signature 3/8" Gig-Ready Series Plywood, reinforced with steel ball corners for added protection and ease of stacking, and featuring padded steel handles and recessed latches to safeguard against damage during transit, the large-format XS-TMC1012WLTFTSND provides a secure home for your gear. With ample space for cables and small accessories in the rear and beneath the unit, as well as a removable front panel for quick access to front input jacks, this case is designed with your convenience in mind. Plus, the sliding laptop shelf and adjustable foam inserts ensure that everything remains accessible, secure, and within reach.

ProX Goes Green: The durable hard rubber foams used in our cases contain 85% recycled content. Of that 70%, 80% of it comes from recycled plastic bottles and the remaining 20% from recycled post-industrial material. At ProX we strive to make the world a better place!

Please note that any devices shown in the pictures are for reference purposes only and are not included. For your safety and the protection of your equipment, avoid transporting or moving gear stored on the sliding shelf or side shelf, and be aware that the sliding shelf can be removed when extended to its farthest point.
