ProX XZF-UTL353023 Epoxy Utility ATA Flight Trunk Case - Truck Storage Road Case with Dividers and casters – 48"x35"x30" Ext. by Zcase Poland

Description

ProX XZF-UTL353023 Epoxy Utility ATA Flight Trunk Case - Truck Storage Road Case with Dividers and casters – 48"x35"x30" Ext. by Zcase Poland is the ultimate solution for safely transporting and storing your valuable equipment. Crafted with precision and durability in mind, this trunk case is designed to meet the demands of professionals in various industries, including entertainment, production, and touring.

Constructed from high-quality materials, the eBoxy Trunk Case features a robust exterior with reinforced edges and corners, ensuring maximum protection against impacts and wear. The interior is lined with custom foam padding that can be adjusted to fit a wide range of equipment, providing a secure and snug fit to prevent movement during transit.

This trunk case is equipped with heavy-duty latches and hinges that offer secure closure and easy access to your gear. The integrated handles and industrial-grade wheels make it effortless to transport, whether you're moving between venues or storing your equipment for future use.

The Epoxy Trunk Case also includes additional storage compartments for organizing cables, accessories, and other essential items, keeping everything you need in one convenient place. Its sleek design and professional-grade construction make it an ideal choice for anyone who needs reliable and durable storage for their gear.
