ProX XS-AHSQ6W Fits Allen & Heath SQ6 Digital Mixer Console Flight Case W/Wheels

Description

The ProX **XS-AHSQ6W** Professional quality ATA style road case is custom designed to fit the Allen & Heath SQ6 Next Generation Digital Console Mixer, and it does the job well. The ProX XS-AHSQ6DHW case is constructed with durable Signature Series 3/8"

Plywood, reinforced steel ball corners, and 2 low profile wheels and a low front panel.

This ProX SQ6 Digital Media controller case is manufactured with the Honeycomb laminated surface design. Made with the super-sleek look of Honeycomb hexagon grids on all shell surfaces, which gives the cases an almost alien look! Also as opposed to regular laminated plywood cases from other manufacturers, the ProX Honeycomb design helps prevent minor to mild scratches. The Honeycomb Digital line design was inspired by the design of New York City Street Manhole covers which are made to handle rough and tough everyday punishment.

Features

ProX has been manufacturing flight cases since 1984 and this case is designed to protect your investment

- **Standard Style, Silver trim on Black Digital Honeycomb Exterior Design**
