ProX XS-MH250X2W MK2 Flight Case for Two 250 Style 5R 200 7R 230 Moving Head Lighting Units Universal

Description

The **ProX XS-MH250X2W MK2** Flight Case is designed to fit many **250 Style** moving heads and other moving heads with similar size, with the highest quality material and workmanship to give you the ultimate security for your lights. If you have a passion for your gear and want to keep it safe at all times, this case will perform at the highest level every time. The ProX XS-MH250X2W MK2 is constructed with 3/8" plywood, reinforced steel ball corners for protection and easy stacking as well as recessed rubber grip steel handles and butterfly twist latches which are recessed to protect them from damage during transport.

The ProX XS-MH250X2W MK2 Flight Case is designed to fit many 250 Style moving heads and other moving heads with similar size, with the highest quality material and workmanship to give you the ultimate security for your lights. If you have a passion for your gear and want to keep it safe at all times, this case will perform at the highest level every time. The ProX XS-MH250X2W MK2 is constructed with 3/8" plywood, reinforced steel ball corners for protection and easy stacking as well as recessed rubber grip steel handles and butterfly twist latches which are recessed to protect them from damage during transport.

This ProX **ATA 300 Case** is manufactured with the **Honeycomb Digital™** Protective Finish on Laminated 3/8" plywood. Made with the super-sleek look of Honeycomb Digital™ hexagon grids on all shell surfaces, sets ProX apart from other manufacturers. The Honeycomb Digital™ design helps prevent minor to mild scratches. This unique design was inspired in 2009 by the design of New York City Street Manhole covers which are made to handle rough and tough everyday punishment.

All ProX cases use CNC technology, during the manufacturing process, to assure that cases are consistently built with strict specifications and tolerances that are required for the high-quality standards that ProX cases have been known for since 1984.

Note: Any pictured device is shown for reference only and not included!

Features

ProX has been manufacturing quality flight/road cases since 1984 and all are designed to protect your investment!

- **ATA-300 Style Flight Case**
- **Signature Honeycomb Digital™ Laminated 3/8" Plywood**
- **High-density Foam Interior Support & Casing**
- **ProX Branded Spring Action Rubber Grip Recessed Handles**
- **Easy Locking Fit Aluminum Tongue and Groove between Top and Bottom Connections**
- **Aluminum Extrusion around Caster Plate**
- **Stackable 4-inch Caster Dishes on Top**
- **ProX Heavy and Powerful Steel Ball Corners & Dual Anchor Rivets**
- **ProX Branded Industrial Recessed Butterfly Twist-Lock Latches - Padlock Ready**
- **Limited Lifetime Warranty**

* **ProX Goes Green:** The durable hard rubber foams used in our cases contain 85% recycled content. Of that 70%, 80% of it comes from recycled plastic bottles and the remaining percentage from recycled post-industrial material. At ProX we strive to make the world a better place!
