The **ProX X-QSC-KLA12** Flight/Road Case is a professional touring speaker case that houses **Two QSC X-QSC-KLA12** speakers, and employs our signature laminated plywood that has a hard shell with internal padding to provide the best customized protection for your investment. The case rests on 4 casters designed for easy traveling. It also has dishes on top to facilitate stacking with other flight cases and is Truck Pack Friendly.

The ProX X-QSC-KLA12 Road Case is designed by ProX Cases for the QSC KLA12 and is made with the highest quality material and workmanship to give you the ultimate security for your equipment. If you have a passion for your gear and want to keep it safe at all times, this case will always perform at the highest level.

All ProX cases use CNC technology, during the manufacturing process, to assure that cases are consistently built with strict specifications and tolerances that are required for the high-quality standards that ProX cases has been known for since 1984.

***ProX Goes Green:** The durable hard rubber foams used in our cases contains 70% recycled content. Of that recycled content, 80% of it comes from recycled plastic bottles and the remaining 20% from recycled post-industrial material. At ProX we strive to make the world a better place!
