ProX XFH-CUBESIDE90BL Humpter Cube Side Shelves 90 degree in Black

Description

A solid base for your gear.

Enhance your setup with the CUBE Side Shelves 90, a perfect solution for securely placing monitor speakers or small moving heads. Whether you're training or performing at an event, these shelves provide stability and convenience, keeping your equipment accessible and safe.

Designed for efficiency.

CUBE Side Shelves 90 is engineered for quick and easy assembly, saving you valuable time during setup. Its stable construction ensures your gear stays in place, even in high-energy environments. Equipped with the innovative Fast-Lock™ cable organization system, it simplifies cable management and keeps your DJ station looking professional.

Safety and portability.

Each shelf includes clamping straps with clips to securely fasten your equipment, preventing accidental falls. Lightweight and portable, the shelves come with a dedicated transport bag, making them ideal for mobile DJs and performers.
