Description

The **ProX MESA MEDIA MK2** DJ TV Facade Workstation gives you an elegant professional look. With its strong and lightweight 4 sided folding aluminum frame with black finish PLUS integrating our [XT-SSTM3260](#) Universal TV/Monitor Mount on the front. This media added DJ booth is all you need for an exceptional DJ station. The setup of the system is easy and takes less than 10 minutes even with mounting the LED TV/Monitor. You can transform your DJ setup and expand your professional image with a video screen. The XF-MESA MEDIA™ has an additional top shelf and the table workspace is adjustable to three different positions. Two cable pass-throughs on both the top shelf and tabletop. Works with the [XF-MESATRUS](#) to add lighting and accessories.

The XF-MESA MEDIA™ MK2 includes **4 Scrims, both White & Black** scrims with **zippered** closures on the front to work with or without the TV mount and also comes with **1x black and 1x white non-zippered scrims** as well if you would like to use the mesa media with no TV.
