ProX T-LPS700 Portable Universal Laptop Stand W/Adjustable Shelf BLACK

Description

Laptop & DJ Control Stand W/ Clamps & Interface Tray

A universal laptop stand with a storage shelf and an adjustable height and width.

The **ProX T-LPS700** is a universal laptop stand for DJs, musicians, or lighting designers. Made for use with almost any laptop, this stand can be assembled very easily and fits into nearly every gig bag. The laptop stand includes a storage shelf where users can conveniently put their sound cards, hard drives, or DMX lighting and Serato interfaces. The T-LPS700 laptop stand includes two mounting options: one that allows for the stand to sit directly onto a tabletop and the other that allows for the stand to be securely attached to a gear case. Includes two mounting clamps.

Features

- **Heavy-duty All Metal Construction**
- **Stable, rugged laptop stand for use by DJs and musicians**
- **Saves space on the work surface by lifting laptop above it**
- **Assemble or dismantle easily**
- **BLACK Color**
