ProX XCP-ECON-M20 ProX Branded Professional Mic Cable XLR Male to XLR Female 20 FT

Description

20 FT Premium Grade XLR Cable Gold/Silver Plated Connection.

Our ProX Branded **XCP-ECON-M20** Microphonbe Cables are ideal for professional touring and live sound applications where a device with an XLR output needs to be connected to a device with an XLR input. ProX cables are built with uncompromised quality with excellent performance at each connection - *Instrument cables, Speaker cables, RCA cables, DMX cables, Power cables* and more. Our cables are made for professionals, by professionals.

24 AWG x 2 OFC 76% braided Spiral Copper Compact shield to reduce noise and protect pure sound transfer. Compact cable diameter to decrease eddy currents.

Bending & Twisting are no match for our Professional-Grade audio cables. They're designed to provide years of dependable sound reproduction and outlast every other cable on the market! Complete Coil technology demands consistent weave tolerances to create precise accuracy and detailed clarity. This is the most important part of the design and greatly affects performance.
