### ProX XB-160MK2 ProX XB-160 Padded Accessory Bag

#### Description

ProX offers an outstanding array of rugged cases and bags, so that you can protect every item of your performance equipment. There is no better way to protect your valuable gear than by using one of ProX's gig bags or hard cases. When it comes to your gear, you can rest assured that you can trust ProX for the ultimate in protection.

This essentially square bag, measures 13" x 13" x 13" internally and has a zippered outer pouch for additional storage. Use it to carry lights, cables, tools, parts, cameras and more.

#### Features

This rugged and stylish bag will protect your lighting, accessories or can be used as a utility bag for cables, connectors and more. Manufactured from durable nylon with the unique ProX Honey Comb design that was inspired by the design of New York City Street Manhole covers which are made to handle rough and tough everyday punishment.

The straps are strong and durable and positioned to carry the load evenly. The interior of the units are padded to provide additional protection for what you are carrying to your events. A clear pouch on the top provides a place to put your business card or other identifying information that you need. The strong and durable double ended red zippers compliments the design of the bag.
