ProX X-722 LED SKY LARK SKY LARK 120 LEDs

Description

120 x 10mm All White LEDs
Strobe Effect

The X-Static X-722 LED is a versatile and exciting addition to any DJ or pro lighting gig. Its plug-and-play functionality and 2-way operation makes it very flexible and easy to use. Its LEDs are incredibly powerfull & bright yet use and require very minimal power. This unit features a long-life bulb and a speed adjustment knob control, in addition it also responds to ambient sound with its built-in mic. For small to medium sized venues, concerts and DJ sets, the X-722 LED strobe is an excellent go-to light to add for exciting strobe effects.

It also seamlessly integrates for larger events. Choose the X-Static X-722 LED and get the crowd pumping!
