### ProX XSU-8X16PKG StageOne 8' x 16' Ft. Portable Stage Package - Includes 8x Units with Telescoping 16-22" Adjustable legs

#### Description

ProX XSU-12X16PKG StageOne 8' x 16' Ft. Portable Stage Package - Includes 8x Decks with Telescoping 16-22" Adjustable legs. This convenient package comes with everything you need to get the show going. It's meant for long-or short-term installation. It can easily be transported and installed by a single person. **These Platforms are ideal for Mobile DJs, Small Clubs, Party Rentals, Churches, Schools, and more.**

#### Portable and Convient

These stages are a great application for small venues, indoor and outdoor events. The extended feet support the un-leveled ground floor and let you adjust from 16" inches to 22" inches Telescoping legs, which also include a security pin and cable to securely lock the leg position. The feet of the stage legs can be twisted to give you an additional 2-inches (a Total of 24" Height).

#### Signature Protection

ProX stages all have our Signature Honeycomb Digital™ Surface Protected top laminate which has a rugged hexagonal pattern that creates foot grip and traction. They are meant for outdoor and indoor applications. The included telescoping legs adjust from 16-22" which is set by a locking pin. Each leg has height-adjusting leveling rubber feet that can be precise for the ground level.
