ProX XTF-106D Top Loading Lifting tower - Capacity 496 lbs Max Height 21.06 ft - Made in Spain by Fantek

Description

The **XTF-T106D Top Loading Lifting tower** - is ready to lift a load of **496 lb / 225 kg** at a height of **21.06 ft / 6,4 meters**. It is composed of five extensible steel profiles, lifted by high-strength steel cable with ribbed driven pulleys with SELOIL bearings. It comes equipped with another stretch allowing load lifting to 6,4 meters in overall height. Fixing section of the tower to the height desired by automatic locking steel pin. Legs with non-slip rubber feet and levelers that allow its location on uneven terrain. **Made in Spain** by Fantek
