ProX XC-NL4MMX Turnaround NL4 Barrel Male to Male SpeakOn Socket Audio Adapter Cable Extender

Description

This **ProX XC-NL4FMX 4-Pole Male to Male speakON®** Audio Adapter/Cable Extender allows the extending of two 4 pole speakON® cables when the need for a longer cable arises

We know the importance of cable to your performance. This **XC-NL4MMX** connector produces uncompromising signal power, frequency, handling, and data reproduction. The connections are all Silver-plated metal.

This professional speakON® extension connector offers the industry standard "quick lock" system. The internal contacts are touch-proof and are designed to prevent damage from disconnecting under load and include a fail-safe condition for both the equipment and the user.

Our connectors are designed to provide you with years of dependable sound reproduction and outlast every other cable on the market.
