ProX XM-1216MIC UltronX Plastic Water Tight Molded Travel Case Stores up to (16) Wireless and Wired Microphones

Description

ProX **XM-1216MIC** UltronX Plastic Water Tight Molded Travel Case Stores up to (16) Wireless and Wired Microphones.

The ProX XM-1216MIC UltronX™ Microphone series cases are manufactured from an incredibly robust Polypropylene Copolymer, ensuring crush resistance and near-indestructibility. This rugged case is designed to withstand weather, rough handling, drops, impacts, and even mishandling by airport baggage handlers. It holds an **ATA/TSA approval**, making it suitable for travel.

Our unique spring-loaded latch system ensures a secure closure while still allowing for easy opening. The lid is lined with convoluted foam, and the body contains custom-cut holes for microphone storage. Whether you're traveling locally or over long distances, these cases keep your microphones safe, dry, and protected.

Features

- Holds 16 handheld microphones in customized foam drops
- Internal storage with ample room for cables and more
- Convenient hard-shelled protective case for storing and transporting handheld microphones
- The pressure equalization valve creates an airtight and watertight seal and is ideal for air travel
- Watertight at 1 meter for up to 30 minutes - Independently tested to exceed IP67 specifications
- Flush, surface-mounted latches with red release button for easy access
- Lifetime Limited Warranty
