ProX XM-CDHW UltronX Watertight Case Holds CDJ-3000 / 12" Mixers, with Handle and Wheels

Description

ProX **XM-CDHW** UltronX Watertight Case **Holds CDJ-3000** and **12" Mixers** with Handle and Wheels – Your expensive equipment needs to be protected, to be kept moisture free. These rugged cases are designed and manufactured to travel long distances in the worst conditions. UltronX™ is our new line that helps protect your against hurricane, heavy rainfall, and the worst temperature conditions on the earth.

Built tough to last near a lifetime these cases are also equipped with an automatic air-valve release plug on the side of the case, and is **submersible at 1 meter for up to 30 minutes**. It also has a rubber seal that keeps these cases dry and watertight from moisture in all weather conditions. It has rubber handles that make it easier to carry and it has a retractable pull handle in for the mobile user who might be commuting long distances or trekking on foot. Wherever you go, UltronX™ cases are the ultimate travel companion case.
