ProX XT-LSTBAR-5FT Universal 5ft Lighting Cross Bar w/Bolts

Description

ProX XT-LSTBAR-5FT Universal 5ft Lighting Cross Bar w/Bolts

The ProX XT-LSTBAR-5FT lighting crossbar does the job, and on the plus side, the unit is square instead of round, some people like that and this makes it easier to mount light fixtures directly, without the need for clamps. It's also more stable than most round bars, and it has no tendency to roll on its axis as it is loaded with fixtures.

So if your looking for a quality made Lighting Bar the XT-LSTBAR-5FT is the right bar for you.

Features

- **Square Steel Construction**
- **Through Bolts Included**
- **More Stable than Round Bars**

Suggested Shipping Method: Parcel

UPC

741459147471
