ProX X-STGX6 Universal Portable Rolling dolly for 4X4 and 4X8 Ft. Stage Platforms - Supports 6 to 8 Units

Description

ProX X-STGX6 Universal **Portable Rolling dolly for 4X4 and 4X8 Ft. Stage Platforms- Supports 6 to 8 Units**. Introducing the ProX X-STGX6 Universal Portable Rolling Dolly Hand Cart, specially designed to **effortlessly transport up to 6 ProX StageQ™ and 8 StageOne staging decks**, including both 4'x4' and 4'x8' configurations, along with ProX StageX™ 4x4 decks. This versatile cart also accommodates various other decking brands ranging from 4x4 to 4x8 panel sizes. Crafted from robust steel square tubing, the X-STGX6 boasts a sleek black powder-coated finish for durability.

The cart's height is adjustable, featuring deck retainers at the top that securely hold the load, ensuring stability no matter the panel count on each side. Supported by four heavy-duty 4" swivel casters, two of which have locking capabilities. **Each cart can manage up to three 4x4' Stages (per side)**. It is crucial to evenly distribute the load on both sides for safety.

Adjustments:

Height: 28 to 48 inches

Top Retainers: 14 inches per side

Mid Support: 3 inches left or right

There are no obligations of liability on the part of ProX Live Performance Gear® for any personal injuries, death, direct or consequential damage or any other indirect damages with respect to, loss of property, revenues, profit or costs of removals, installations or re-installations arising out of, or in connection with, the use or performance of this product.
